Wednesday	9:00am – 4:00pm
Thursday	9:00am – 5:30pm
Friday	9:00am – 5:30pm

We wanted to let you know that our new seasons comfort footwear has arrived to our **new 'in-practice' store**. From **REVERE** we have a large range of **comfort sandals**, these have a thick, cushioned, moulded insole which can easily be removed to take an orthotic, if required. There are new styles and colours for Summer 2014/15. Prices are from \$159.95 to \$179.95

From **FLIPFLOPS** and **ORTHAHEEL** we have **things with an inbuilt orthotic** for men, women and kids. If you usually wear an orthotic, these things are suitable for short periods such as inside the house, nicking outside to the clothes line or going to the pool, beach, boating, cruising etc. If you have never worn an orthotic, you will enjoy the comfort of the soft moulded arch support. Most thongs are \$50, with the new 'slimline' **Orthaheel** style (pictured left) in patent black or matt silver selling for \$79.95.

\$10 OFF FOOTWEAR:

Bring along your newsletter and receive \$10 off one pair of full priced shoes until the end of November 2014. (excludes thongs).

From **TAOS** we have great everyday Mary Janes in black or red. These are soft and light and suit a narrow to medium foot. The elastic heel collar is good for those who find their heel is narrow and slips in shoes.

We will also continue to stock our popular **TAOS** styles; “urge” (pic right) in black and deep red and the “steady” lace-up in grey/taupe and black. Coming in the next fortnight are some cool, cushioned, “mesh” Mary Janes from **ORTHAHEEL**. These casual shoes are a slightly wider fit and suit feet with or without orthotics. A great price at \$129.95.

Finally, for the men, with wider feet we now stock the great casual **PROPET** Commuterlite shoes in black or brown, lace-up or velcro (pictured right)

These are light, (yet supportive), wide, orthotic friendly and look great on for (\$169.95).

Don't forget we also have **TAOS men's orthotic friendly, comfort sandals** (pictured right) and **orthotic thongs for men,**

women and kids.

Call in to browse and try on the shoes during office hours. Our front office staff Karyn and Ros are trained to assist you with fitting. **If you would like more specific or detailed help with fitting from our Podiatrists, please make an appointment.** Don't forget to bring your flyer to receive your discount!
